End of Second Quarter

The End of the Second Quarter is January 7th. Report Cards will be sent home in the January 14th Family Folder.

Marquee Help Sought

Most Precious Blood Parish would like to sincerely thank Mr. & Mrs. Muench for their time and dedication while taking care of our two outdoor marquees.

We are now looking for a new family who would be willing to help us with this project. The Development Committee will provide all of the wording, we just need someone who is willing to be dedicated to changing the marquee in a timely manner. If interested, please contact the school office. Thank you!

Vocations

Father Curry will be visiting our Fifth and Eighth Graders on Tuesday for their annual discussion on vocations.

Prayer for the Month of January

Grant me the strength from day to day

To bear what burdens come my way.

Grant me throughout this bright New Year

More to endure and less to fear.

Lord, as the days shall come and go

In courage let me stronger grow.

Amen.

Athletic Committee Thanks

A big Thank You to all who donated items and volunteered their time to make our Holiday Tournament a success! We couldn't have done it without all those so willing to help! Thank you!!

K of C Free Throw Shooting Contest

The annual Knights of Columbus Free Throw Shooting Contest will be held Saturday, January 16th at 1:00pm in the gym. The contest is open to any student, boy or girl, ages 10-14. Entry forms are available from the school office. Please call Christian Doak with questions after 6:00pm at 637-9951.

Information for the Family Folder Newsletter must be received in the school office by noon on Wednesday.

*A Message from our First Semester Student Council President
and Vice President:*

We have really enjoyed being in Student Council the first semester. It was a great experience and we accomplished a lot. We had a lot of hard tasks to do in little time but we pulled it off. We would really like to thank the rest of the students who participated in Student Council. This was a great learning experience for us and we can carry this leadership on with us. It will help us later in life when we need to get things done within a limited amount of time. Skills we acquired were communication with our principal, teachers, staff, and students to instigate educational and fun activities for the school. We learned that communication on all levels was very important. We remember when we made our first phone call. It was awkward, but throughout this time we learned how to plan out our phone calls and sound professional. It's amazing what two people can plan when you really set your mind to it. We gave up some of our free time to accomplish projects. We enjoyed doing service for our school. We would also like to thank Mrs. Baker. She really pushed us and gave us a lot of neat ideas.

Sincerely,
Sydney & Haley
