c. Other Discussion Items

- **Pennies from Heaven containers have been placed in the classrooms. Wendy would like for us to use PFH money for something specific. Ideas: Playground equipment to add to existing, new mats for front door- \$400 for all, air conditioning (Fr. Joe is looking for Bishop's appeal \$ to fund this), smart board accessory console, PBS commercial, funds for playground monitors**
- **Could consider posting minutes, encourage review, and perhaps vote at next meeting or via electronic survey. Tabled until next meeting.**
- **New sinks in bathroom would require too much additional expense to be a viable option**
- **Redeemer radio and PBS community calendar should be used to advertise HASA events**
- **A suggestion was made to have mass on first Fridays of the month. Could students go Tuesday – Friday for the first Friday of the month and Tuesday – Thursday on the other weeks of the month?**
- **A suggestion was made to have more opportunities for students to spend time with Fr. Joe in order to build stronger Catholic identity and increase the desire for religious vocations.**
